

“Be Inspired & Achieve Together”

28th September 2021

Dear Parent/Carer

Re: Remote Systems: A Round Up

As we start to gain momentum into the first term, I wanted to contact you with an overview of our remote systems, and how to access them.

Firstly, please complete this quick survey below to let us know what kind of internet and devices you have at home: [Accessing Arnold Hill Remote Systems Questionnaire](#)

Tutor Event – 7th October 2021

We will be running our tutor event virtually this year, on school cloud. The system allows you to choose your own appointment times and hold the meetings virtually. As with previous progress evenings, each appointment will last a maximum of 4 minutes. This evening will be a pastoral event only to discuss how your child has settled into the academy.

If you need support with the internet or a device for this event, please contact your child’s Head of Year.

Details of how to make your appointment are on Synergy – under “your messages” in your parent inbox.

Deadline for making an appointment: 5th October 2021 at 3:00pm.

Synergy for Students and Parents

Synergy is our school system which logs all remote learning, homework assignments, behaviour information and attendance. Your child should now be logged into Synergy – if they have been unable to do so, please direct them to their tutor or Head of Year.

Your child will have also brought home information in regards to your log in details – these were sent home last week in a white envelope. If you need any assistance in logging onto the parent view, please contact info@arnoldhillspencer.com and your message will be forwarded to the appropriate person.

Synergy can be found through the AHSA website: [Arnold Hill Spencer Academy](#).

Homework Assignments

Homework assignments are now live on Synergy. Our homework policy can be found here: [Homework – Arnold Hill Spencer Academy](#)

Homework club runs on a Monday, Tuesday and Thursday straight after school in the library. This is an excellent opportunity to gain support with logging onto Synergy, as well as homework support.

A Summary of our online systems can be found here:

I hope you find this information useful, if you have any further questions, please email info@arnoldhillspencer.com

Yours faithfully
