

“Be Inspired & Achieve Together”

30th November 2021

Dear Parent/Carer

Re: Virtual Coast to Coast Fundraising Challenge

Between Tuesday 7th and Thursday 9th December, we are aiming to complete a virtual Coast to Coast challenge to raise money for the Teenage Cancer Trust at City Hospital and to subsidise the cost of Prom tickets for our Year 11 students.

We are inviting students and staff to join in and each sign up to cycle 5 ½ miles on an exercise bike in 30 minutes.

Students who want to participate can sign up for their 30 minute slot using this link [Coast to Coast fundraiser](#).

Places are limited and once the slots are gone, they are gone!

Students who sign up will be required to come for an induction on the bikes on Friday 3rd or Monday 6th during guidance time. No Induction = no slot, this is a Health and Safety requirement.

We are accepting online donations for this event. There is no minimum or maximum amount set and you can donate even if your child is not taking part. Look for ‘Coast to Coast Charity Fundraiser’ in your SCOPAY account <https://www.scopay.com/arnoldhillacademy>

Thank you for your support
