Dear Parent/Carers

Re: Lateral Flow Testing January 2022

Government guidance released last week, has instructed schools and academies to re-instate in school testing for Covid-19 when students return in January. The supervised lateral flow tests will be completed at the academy, commencing the 5th January 2022.

As before, we require the consent of parents and carers to show that you are willing to let your child perform a lateral flow test under the supervision of trained school staff. Please can you complete the consent form by using link below to state whether you are willing to provide consent.

Students will have a staggered return in January; the full details will be sent to you before the end of term

Yours faithfully

Matt Robertson
