

“Be Inspired & Achieve Together”

25th January 2022

Dear Parents and Carers,

Re: Face Coverings

As you may be aware, the government made some announcements recently regarding face coverings in colleges and schools so the purpose of this letter is to clarify the rules at Arnold Hill Spencer Academy:

From Thursday 20th January students were no longer required to wear a face covering in classrooms but are still required to continue wearing face coverings in other communal areas such as corridors unless eating or drinking in a designated area at breaktimes.

From Thursday 27th January students are no longer required to wear face coverings in communal areas. However, students will still be required to wear face coverings on public transport.

As the number of Covid19 cases remains relatively low within our academy community, we would still strongly encourage students to wear face coverings despite the relaxation of the government rules whilst case numbers in the wider community remain high. However, this will not be enforced by staff.

Thank you for your ongoing support throughout the pandemic.

Kind regards,

Matt Robertson
Principal
