

“Be Inspired & Achieve Together”

22nd March 2022

Dear Parent/Carer

Re: Nottingham Trent University Campus Visit, 29th June 2022

Many of our Year 12 students are now beginning to consider their plans for after they leave the Sixth Form, and we are delighted to have the opportunity to attend a Higher Education Campus Visit at Nottingham Trent University, on Wednesday 29th June 2022. There is no charge for this visit.

Like previous university visits arranged for students, the purpose of this visit is to allow students the opportunity to think about the options available to them after their Sixth Form Studies; whether they would like to attend university, the type of university they would like to attend, how to apply for university and the costs involved.

Nottingham Trent University is a popular university with many of our Sixth Form students, and hopefully this day will provide an invaluable insight into university life at a local university within the city they live in, as well as higher education in general.

I enclose a copy of the itinerary for the day which I hope you will find useful. Students will be asked to make their own way to the university in the city centre; an exact meeting point and time will be communicated to students nearer the day. Lunch is not provided. Students who do not bring something from home will have the opportunity to purchase something either on the campus, or under supervision from a local convenient store.

To be considered for a place on this visit we require the following by Thursday 21st April 2022:

1. *A parental consent form completed electronically using the link below*

<https://forms.gle/PFA98gu25MJzhjZt9>

Your child will not be allowed on the visit if this form is not completed.

Places are limited to a maximum of 90 for the visit. Should the visit be oversubscribed, we will select names randomly after the closing date from the consent forms we have received. If your child is not successful in securing a place on the visit through the random selection, they will be placed on a reserve list. We appreciate that this may result in disappointment but we are limited by staffing constraints, venue capacity and external factors outside of our control.

Students who choose not to go on the visit will have the opportunity to explore apprenticeship options in school; we are making plans for a visit to an apprenticeship fair to support future applications.

Yours faithfully

Ed McEwan
Head of Year 12
