Dear Parent/Carer

**Re: Arnold Hill Spencer Academy Combined Cadet Force (CCF) Air Rifle Range Package at Trent College**

Our cadets have the opportunity to complete a range package at Trent College Ranges in Long Eaton on Saturday 11<sup>th</sup> June 2022.

Return transport from the Academy has been arranged. Cadets should meet at the Community Centre car park at the bottom of the Arnold Hill driveway for 09:00, in cadet uniform, ready to depart to the ranges. Once we arrive the cadets will be broken down in to their sections and sent to their activities, where they will be practicing Field Craft skills and have the chance to fire the Cadet Scorpion Rifle. Once everyone has completed the shoot we will return to school at approximately 17:00 for collection. Cadets will need to bring a packed lunch, snacks and something to drink as there are no shops open on the camp. We also recommend that they bring sun protection if the weather looks to be a nice day as shade is limited.

There is no charge for this event.

**Please complete the consent and information form by Tuesday 24<sup>th</sup> May 2022** using the link below. If we do not receive the form by the deadline, your child will not be able to participate in this exercise.
