

“Be Inspired & Achieve Together”

30th June 2022

Dear Parent/Carer

Re: Exam Results Days 2022

We are emailing you with regard to the upcoming

- A Level and Level 3 Vocational results day that will be taking place on Thursday 18th August and
- GCSE and Level 2 vocational results day that will be taking place on Thursday 25th August

to confirm your child's chosen method of collection of results.

Results Day

We are inviting all students to come into the academy to collect their results, or alternatively they can choose to have their results emailed home or collected by a named representative. It is essential that we are informed of the chosen method of collection for each student prior to the collection of results to ensure that students are in receipt of their results promptly.

All students have been sent a link to their school email account that will allow them to choose their method of receiving their results:

- Collection in school.
- Collection by a named representative
- Results to be emailed to the student's school email account.

Please can I ask that you ensure that your child has responded to the email by clicking on the link and completing the google form to inform us of their choice by **Friday 8th July**.

Please contact your child's Head of Year if they are unable to access their school email account.

Regards
